MUSTANG PRIDE!!!

A Note from Mrs. Brown

Dr. Vail and I have been so proud of the progress of our students this year. We are now approaching the spring assessments, the Reading and Math Interim Assessments will be administered in February, as well as the upcoming PARCC Assessments later in the spring. We are pleased with the students' success thus far and believe that this trend will continue with your help and encouragement.

I wanted to inform you that beginning on Monday, January 23, I will be on leave until the end of March. With the outstanding staff members here at North Salisbury, I am confident that your child's education will continue to be the priority here at the school during my absence.

If you have any questions or concerns, please contact Dr. Vail, who will acting as principal in my absence or you may contact Mr. Larry Collins who we are very pleased to have joining the school as the assistant principal.

Mrs. Brown
